CHRIST LIFE - "WEEKEND IN THE WORD"

MULDERSDRIFT NEAR JOHANNESBURG

Friday (afternoon) 18th May to Sunday (morning) 20th May 2012

Hotel accommodation is at the Bergvallei Estates on the east side of the R28 / N14 (well signposted). This is a unique, picturesque setting, with its Stellenbosch-type green and white buildings. The estate has its own character and atmosphere surrounded by rose gardens, fountains and Roman statues.

There is a restful, rustic atmosphere with a backdrop of the simmering Magaliesberg range in the near-distance, and the meandering Crocodile River at the bottom of the extensive garden.

It is ideally situated on the R28 / N14 (highway between Krugersdorp and Pretoria) in the Muldersdrift area – we are only 30 short minutes from Johannesburg and Pretoria, but with the surrounding tranquility it could be hours away. Nearest town is Krugersdorp 10km distant.

Enjoy the space and glorious views.

The weekend-in-the-word programme includes 4 teaching sessions, fellowship, all meals, rest and relaxation.

Warren & Robbie Litzman, founders of the Christ Life Fellowship, have prepared a special series of DVD messages specific for this meeting! Be here to receive the message first-hand and discuss it as a group – it will be life-changing!

For those not too well versed in apostle Paul's final gospel, come and have your eyes opened to the glorious liberty contained in Paul's grace message.
